Dear Mr. Petell:

On July 15, 2003, the Department of Environmental Services, Waste Management Division (DES) conducted an inspection of Profile Motors, Inc. (Profile Motors). The purpose of the inspection was to determine Profile Motors' compliance status relative to RSA Ch. 147-A and the New Hampshire Hazardous Waste Rules, Env-Wm 100-1100.

As a result of the inspection, Profile Motors was issued Letter of Deficiency No. WMD 03-28 (LOD). Based upon a review of Profile Motors' submittals, DES has determined that your facility has corrected the deficiencies identified in the LOD.

Please be advised that DES will continue to monitor Profile Motors compliance status through record reviews and on-site inspections.

If you have any questions regarding this letter, please contact the lead inspector, Linda R. Birmingham or John J. Duclos, Supervisor of the Hazardous Waste Compliance Section at (603) 271-2942. Thank you for your cooperation.

Sincerely,
